Message from the Head teacher:

Dear Parents / Carers

We hope that you and your families continue to remain safe and well during this pandemic.

You will all have received the news that I am now the interim Head Teacher for Lime Academy Ravensbourne. I am very excited to start this journey with the schools and look forward to the opportunities it will bring.

Teaching staff are continuing to come in to school in small numbers, where it is safe to do so. They are following strict social distancing guidelines and have attended school to prepare additional learning packs for the students. I am incredibly grateful for their efforts to help on the continuation of our student's education during this time.

One of our teachers, Miss Phillips, has designed a lovely coloring sheet for our students to print off and color. Maybe you can display yours in your window?

Stay Home, Stay Safe

Kind Regards,

Mary Bickmore

A little poem

One of our wonderful Teachers has written this Poem, thank you Maria!

Schools are closed
No time to teach
Children at home
And out of reach
The doors are closed
The virus is here
We are all working
With no children here

One day soon
Things will be bright
Through the tunnel
There is a light
The virus will go
We'll all be free
Keep on believing
One day you'll see
School will start
At the stroke of 9
Kids will be there
It'll be teaching time
Forest approach
A place to smile
Keep on believing
For a little while
All will be back
Down the corridors we'll roam
For now it's safer
To stay at home
Don't never forget
For you will see
When covid has gone
You'll still have me
Stay safe and well
We will get there
With stories to tell
And things to share

Until that time comes
Keep your head held high
Keep on smiling
When you look up at the sky
