Message from the Head teacher:

This has been our first full week back to school with the students and it has been lovely to see everyone back.

We are continuing to support the children in learning about social distancing and hand hygiene and they are doing a fantastic job.

Have a Wonderful Weekend!

Mary Bickmore

Message from the Deputy Head

We have thoroughly enjoyed our first full week back.

I hear that the weather is set to warm up – yippee!

Please ensure that you apply sunscreen to your child each morning and also send them to school with a sunhat.

Have a super, sunny, weekend!

Laura Clements

Hands, Face, Space

When dropping off and collecting your child from school, please ensure that you maintain a 1m+ distance from others and not stand in a group of larger than six people.

Thank you for your support in this.

New Chickens

We have five new hens in our shed, ready to come out next week and be introduced to the children. They are a beautiful white colour and hopefully in a month or so they will start producing eggs!

They have stayed inside to make them feel safe and get them accustomed to the area.

We look forward to announcing names in a while!

Willow Class

All pupils in Willow class are very happy being back to school. They're all very well settled, enjoying different activities in class and also outside in our beautiful garden. Pupils are doing very well following rules and safety measures. Rozy, our lovely Teaching Assistant, wrote a beautiful song, which Willow class is singing and signing with Makaton every day. It helps us practicing safety measures in the school.

*We have to wash, wash, wash our hands,
For 20 seconds, no less,
We have to do this every day.*

*I have to wear my special mask,
Not fun but it's our task,
'cos this is a safest way!*

*Wash our hands,
Wear our masks,
Yes, we should,
Let's practice social distance!*

'Wash our hands' song by Rozy, Willow class
