

Forest Approach **News**

limeacademyforestapproach.london

Message from the Head teacher:

The students have come back willing and ready to learn and it is lovely to see all of the familiar faces settled and working hard towards their goals.

Our new chickens are now out of the shed and wandering around their area, enjoying the last of the sunshine before autumn.

Have a Wonderful Weekend!

Mary Bickmore

Hands, Face, Space

When dropping off and collecting your child from school, please ensure that you maintain a 1m+ distance from others and we ask that you do not stand in a group of larger than six people.

Thank you for your support in helping us to prevent the spread of the Coronavirus.

Oak Class:

We are so proud of our students and how they have adapted to the changes around school. Here are some pictures of our students in their learning and having fun

Shout out to Frankie-Lee for settling in so well into a new school and new class. Being willing to learn and making new friends whilst always being polite. In addition Steven, who has positively matured and adapted so well to the changes, ensuring that he makes our new class students feel safe and welcome, even asking them if they would like to play.

Message from the Deputy Head:

Wow! Another week has flown by and it's Friday again!

You will notice in the coming weeks that your child will be bringing home some pieces of fun homework, linked to the learning they've been engaging in, when in class. Please be reassured that completion of homework is voluntary and we are sending this work home in response to parental feed-back, received during the last parents evening.

Have a lovely weekend. I hear the sun is due to come out again – fingers crossed!

Laura Clements

Saplings Class:

In Saplings we have been listening to Jack and the Beanstalk story. During expressive arts, we created a beanstalk with a castle in the sky. We had so much fun feeling and touching the different materials used to create our pictures.
