Message from the Head teacher:

It has been an eventful week at Forest Approach,

I would like to thank all of the parents for their continued support during this period of isolation and time away from school for some classes.

The teachers and TAs are working hard to ensure pupils can continue their learning from home.

Please also keep checking the website and google classroom for online resources.

Have a wonderful weekend.

Stay Safe

Hands, Face, Space

When dropping off and collecting your child from school, please ensure that you maintain a 1m+ distance from others and we ask that you do not stand in a group of larger than six people.

Thank you for your support in helping us to prevent the spread of the Coronavirus.

Black History Month

We have started learning about famous and historical people of African and Caribbean descent, learning about their influences and achievements in history.

Message from the Deputy Head:

Dear All,

We've had a busy week here again at Forest Approach!

Thank you to all parents who are using Evidence for Learning (EfL) for home school communication.

It's been fantastic to see pictures of our pupils working towards their targets at home. Please do continue to upload these.

Please do let us know if you are facing any challenges with using EfL and we will arrange some support.

Have a great weekend... and remember hands, face, space!

Space week at Forest Approach

Cedar Class's rockets....

Acorn's Space Rockets

Today we split into two teams. Blue and Red and had a competition on building our rockets. Blue team won.

World Mental Health Day

The theme for this year's World Mental Health Day is 'mental health for all'. Please visit the website below for resources focusing on inclusivity and celebrating our differences.
