## Message from the Head teacher:

Hello everyone,

We have had a great week here at school with learners resuming swimming lessons and visits to the Manor.

A reminder that we have LFD testing kits available in reception for you to use twice a week.

Stay safe and have a lovely weekend!

Mary Bickmore,  
Head Teacher

## Message from the Deputy Head:

Dear All,

We have some children and adults at school who have a severe allergy to nuts. To reduce the risk of an anaphylactic reaction, we aim to be a nut-free school.

When preparing your child's packed lunch or snack, please ensure that you do not include any products containing nuts. This includes peanut butter, cereal bars with nuts and Nutella. Nuts can also be a "hidden ingredient" so if you are unsure, please check the ingredients on the label.

As well as peanuts, this includes all types of tree nuts - almonds, walnuts, hazelnuts, Brazil nuts, cashew nuts and pistachios.

Thank you for your cooperation.

Laura Clements

Deputy Head

## Holly Class

Holly class had fun this week decorating biscuits using icing sugar and sprinkles. All the students in Holly classes really enjoyed making the icing and said that it looked like slime!

## Evidence for Learning – EFL

A reminder to existing and new parents, to log in to Evidence for Learning 'EFL' – the communication platform between parent/teachers.

All new parents will receive an email for set up. If you have any issues logging on, please do email us and we will be happy to help:

[limeacademyforestapproach.office@limetrust.org](mailto:limeacademyforestapproach.office@limetrust.org)

Zuzanna Gromska, our Assistant Head Teacher, will be running drop-in sessions to support parents to use EFL every Thursday between 3.30pm – 5pm.

## Route 497

Havering Local Authority are running a consultation on proposed changes to the route 497 bus service and would like to hear your views.

Route 497 currently runs between Harold Wood station and Harold Hill, Gooshays Drive via Gallows Corner Tesco. It was introduced in January 2020. A review of the first year of the service has identified a need to increase ridership of the service, or it could be withdrawn.

We would like to know what you think about our proposals. We are now holding a consultation, running from 6 September until 17 October 2021.

To find out more and have your say, please visit our website:

## Arbor – Parent Portal

Please remember to log in to the Arbor parent portal as all communications to parents will be done via this portal including; payments for meals, important announcements and also our weekly newsletter.

We have sent out an activation email in which you will need to set up your password.

Please contact us via [limeacademyforestapproach.office@limetrust.org](mailto:limeacademyforestapproach.office@limetrust.org) if you are experiencing any issues.

## Car Park

A gentle reminder to parents to park in the car park bays, located in the car park nearest the entrance gate. Please do not drive round the car park as this area is often busy with Local Authority buses.

If all bays on the parents' side of the car park are full, it is possible to park in the car park in the manor, which is only a short walk away from school.

Thank you in advance for your support with this.
