Hello everyone,

It's great to see the students back and enjoying their lessons.

The lovely weather made for some fantastic water play – what a good way to keep cool.

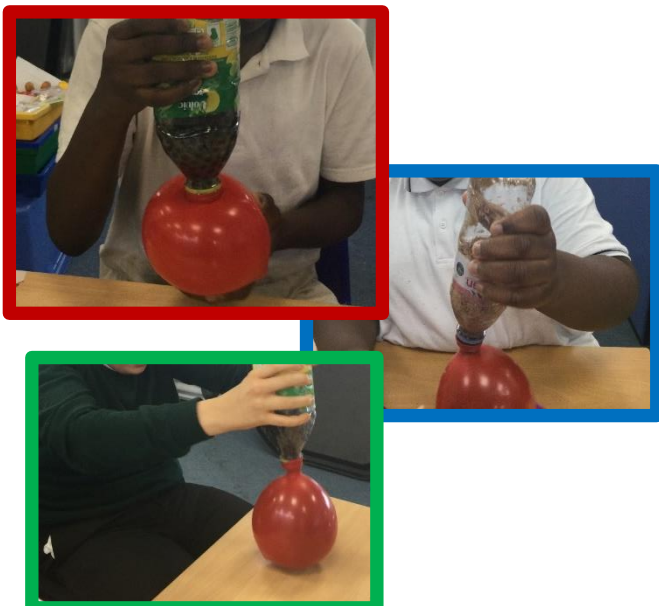

Please remember to log on to EFL and Arbor and if you have any issues please contact us via limeacademyforestapproach.office@limetrust.org

Have a lovely weekend!

Mary Bickmore,
Head Teacher

Aspen Class

In Aspen class, we made some sensory toys using a range of textures. We made sand sensory toys and water beads sensory toys for our classroom. The pupils all had fun when making them and enjoyed exploring them after.

Message from the Deputy Head:

Dear All,

I would like to remind parents that there is a supply of Lateral Flow Device tests available to collect from reception.

Please consider the benefits of volunteering for twice weekly LFD testing.

Please come into reception to collect a testing pack for your child.

Have a lovely weekend.

Car Park

A gentle reminder to parents to park in the car park bays, located in the car park nearest the entrance gate. Please do not drive round the car park as this area is often busy with Local Authority buses.

If all bays on the parents side of the car park are full, it is possible to park in the car park in the manor, which is only a short walk away from school.

Thank you in advance for your support with this.
