## Arbor – Parent Portal

We are no longer using the parentmail platform for lunch payments and communications.

We have chosen Arbor to help us manage our school.

Arbor is a simple, smart and cloud-based MIS (Management Information System), which helps us work faster, smarter and more collaboratively as a school.

All dinner credits have been moved over to the new Arbor system.

We have sent out an activation email in which you will need to set up your password.

## Car Park

A gentle reminder to parents to park in the car park bays, located in the car park nearest the entrance gate. Please do not drive round the car park as this area is often busy with Local Authority buses. If all bays on the parents side of the car park are full, it is possible to park in the car park in the manor, which is only a short way away from school.

Thank you in advance for your support with this.
