Forest Approach News

limeacademyforestapproach.org

Message from the Head teacher:

Dear Parents and Carers,

This week has really flown by and Christmas is fast approaching. All of the staff have been working extremely hard organising this week to be purposeful but exciting for all of our learners.

We are waiting for an arrival of Christmas craft materials so we can make Christmas cards and other surprises. The Christmas dinner and assembly are being planned and hopefully a visit from Santa - this will probably be virtual though!!

Due to the new COVID restrictions may I gently remind our secondary learners we will be encouraging them to wear face coverings in corridors and communal areas. For your information staff are wearing masks in communal areas, and we have additional cleaning going on throughout the day.

This week we have also been working very hard on trying to get the pupils who travel by bus into school much quicker in the morning. This has been a great success and has resulted in pupils arriving in their classes earlier, providing them with extra teaching and learning time.

Moving forward into 2021 we have also started to look at ways to improve the entry and egress into the school site in order to improve this situation for everyone who attends or visits the school which is very exciting. We will keep you informed of these exciting plans in the New Year.

I hope you have a fantastic weekend.

Zuzanna
Assistant Headteacher

Palm Class

Chris in Palm class asked if they could make Christmas cards to sell to raise money for the homeless. They worked really hard to create these wonderful cards and are asking 50p per card and the money will be going to the homeless charity Crisis. Thank you to Maple and Elder for supporting us. We have around 80 cards and will make more should there be a need for it. Thank you everyone!

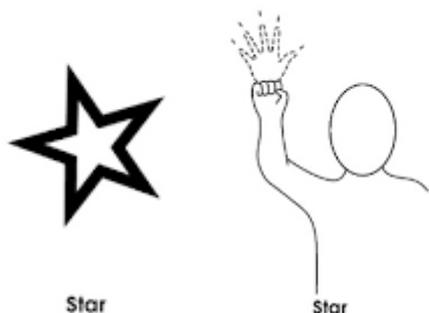

Willow Class

This term Willow class have continued to work on the topic “celebrations”, creating some wonderful artwork for our display board outside. The students had lots of fun creating glitter fireworks pictures!

Makaton Sign of the Week

This week’s sign of the week is... Star

Athlete of the Week

This week’s Athletes of the Week are Demi and Nathan in Pine class. They impressed everyone with their target and distance throwing in P.E. Well done to them Demi and Nathan!

Christmas Dinner/Jumper Day

We will be having Christmas Lunch for our pupils on Wednesday 15th December. On the menu is Roast Turkey or Vegetarian Sausage Roll. On this day we will also be fundraising for Save the Children, so the students are welcome to wear festive clothing and bring in a voluntary donation of 50p / £1 for the charity.

Save the Children®
