

Friday 25th March 2022

Dear Parents and Carers,

Well it's been a lovely week weatherwise which has meant that the majority of our learners have made the most of the outdoors. Learners have been noticeably active and in good spirits while taking part in physical activities where they can. Now that the Sun is getting stronger, then sun hats and water bottles are recommended, particularly for our younger students. Having said that, watch out next week as we are in for a cold snap.

As visitors to the school in the morning, you might have seen me at the carpark gate greeting our students as they come into school. The number of learners who are confident now to say 'hello' back to me has steadily increased since I started at Forest Approach and shows how social they are.

I also just wanted to remind parents and carers that if you had concerns about any aspect of your child's school life here at Forest Approach, then please make an appointment to see a member of the leadership team. You'll be welcome to come into school for a meeting. I've really appreciated being able to meet a number of parents already in my first weeks and hope to meet you all as time goes on.

Over the Easter break we have some premises work going on. The car park is due to be redesigned to make it safer and generally more user friendly. We are also having the dining hall repainted to make the room brighter.

The last day of the Spring Term is next Friday 1st April (no fooling) and the first day of the Summer Term is Tuesday 19th April 2022.

As you know it's Mothers' Day on Sunday, so to all of our mums, have a great day!

Have a good weekend and best wishes to you all,

Yours faithfully

A handwritten signature in black ink, appearing to read "G. Hadlow".

Geoff Hadlow - Interim Head Teacher

...And don't forget to put your clocks forward one hour this weekend, British Summer Time returns.
